UI/UX Design student at BCIT with experience collaborating with teammates on an AI-powered study tool website and a game project. Proficient in Adobe Creative Suite for vector illustration, image restoration, and visual design, with a strong focus on user-centered design.

## PROJECT EXPERIENCE

**Blog Manager** Burnaby, BC  
British Columbia Institute of Technology Sep - Dec 2025

- Designed the blog to be easy to navigate for new users.
- Logged new information to the site to allow users to stay updated.
- Collaborated with team members to ensure their writings are published on the site.

**Designer** Burnaby, BC  
British Columbia Institute of Technology Sep - Dec 2025

- Created assets for websites utilizing the Adobe Suite.
- Designed UX/UI layout with team members using Figma.
- Recoloured and repaired damaged images through Adobe Photoshop.

**Product Owner** Burnaby, BC  
British Columbia Institute of Technology Sep - Dec 2025

- Co-Designed the game's core story and narrative to create an engaging and cohesive player experience.
- Co-Developed and refined key gameplay elements to support the game's overall vision and mechanics.
- Collaborated closely with a team member to combine ideas into a unified and well-defined game concept.

## WORK EXPERIENCE

**Restaurant Host/Waiter** Port Coquitlam, BC  
Wah Wing 2020-2023

- Utilized communication to assist approximately 20 customers with their order via phone call per day.
- Improved organization through use of the POS system to record orders and tally up fees.
- Worked with co-workers on listing what customers ordered to make sure their order is prepared timely.
- Worked with clients to provide customer service through the phone and in person
